Thank you for your interest in **GEM Adult Day Services, Inc.** on the Outer Banks of North Carolina. We are a community-based nonprofit organization dedicated to providing quality services to both participants and caregivers. **GEM** provides a positive and supportive environment for adults with memory loss, physical and mental disabilities and those in need of socialization. We welcome your comments and questions.

GEM and the families it serves thank Kitty Hawk United Methodist Church, its staff, and congregation. The Baum Senior Center, the VT Community Center as well as the many local churches, community groups, and individuals who volunteer their time to plan and sponsor our **Harmony Café** meetings.

Join us on the first Saturday of each month at 11 a.m. in the Fellowship Hall of Kitty Hawk United Methodist Church, The second Friday at the Baum Center and fourth Friday at the VT Center. (*the Friday meetings are 2-4 and do not include lunch)

Add your email address to **GEM's** e-newsletter so that you always know what's planned and when.

Enjoy family, friends, and friendship at Harmony Café

A activity of
GEM Adult Day Services, Inc.
hosted by Kitty Hawk United Methodist Church

Harmony Café is a Memory Café

Harmony Café is a place where *any* senior that would benefit from memory care may enjoy activities in a safe, supportive, and engaging environment.

Harmony Café meets three times a month and is an event at which

participants and caregivers can interact, laugh, cry, support, share concerns, and celebrate life with

volunteers and trained memory-care professionals without feeling embarrassed or misunderstood.

Harmony Café is a caring environment that provides person-centered living, encourages friendship, and fosters acceptance.

Harmony Café is a Memory Café that provide activities for participants and a change of pace for caregivers in North Carolina's Dare and Currituck Counties.

GEM gratefully accepts donations, which help continue programs year-round without charge to participants. Contact Gail Sonnesso at 252.480.3354 or email gsonnesso@gmail.com.

Who benefits from Harmony Café? Everyone!

More than 6.2 million Americans have received a dementia diagnosis, which includes Alzheimer disease, vascular dementia, dementia with Lewy body, Parkinson dementia, frontotemporal and other subtypes. The Center for Disease Control estimates that 80% of people living with dementia are receiving care in their homes (March 29, 2016). Yet these staggering statistics are expected to increase exponentially as “baby boomers” continue to age.

Dementia affects more than just the individual who has the disease. Caregivers, family members, neighbors, friends...each group also has a stake in learning more about memory care and how to foster a sense of normalcy for those who still “got a lot o’ livin’ to do.”

Gail Sonnesso, the founder and executive director of **GEM** (an acronym for **Gentle Expert Memorycare**), and the **GEM** Board of Directors have made it their mission to alter the impact of dementia by changing “awareness, attitudes and behaviors with a primary emphasis on promoting best practices for training, education, and care.” And that’s what **Harmony Café** does at 3-4 programs a month for:

- ◆ Persons with mild cognitive impairment;
- ◆ Family members and caregivers for frail seniors.

Harmony Café is open to anyone without formal referral or assessment. **GEM** does not charge a fee for an individual accompanied by a caregiver.
